Sources: Reported statistics are means of precinct data (Ns vary from 631 to 646). Precinct voting statistics are from San Francisco Department of Elections, Statements of Vote, December 14, 1999, November 7, 2000, and December 12, 2000. See text and appendix for details on construction of the Progressive Voting Index. Precinct data on voter age population (VAP) 2000 by DOJ-defined race/ethnicity (U.S. Census PL94-171 2000) are from precinct dataset downloaded from the UC Berkeley/IGS Statewide Database website (<http://swdb.berkeley.edu/>). (*) Indicates a Board incumbent who ran for re-election in the November 7, 2000 election.
