Ross Is Wrong On The Issues And He's Wrong For District 5

Prop **K**

Ross Mirkarimi is for Proposition K.

Bad Idea. This measure may decriminalize prostitution, but the backers fail to mention it will also make it nearly impossible for law enforcement to investigate pimps and drug traffickers, those who exploit and control underage victims through drugs and physical violence. Let's draft a measure that protects sex workers as well as victims of the sex trade.

Prop **H**

Ross Mirkarimi co-sponsored Proposition H.

Power Grab. This is the Board of Supervisors fourth attempt to municipalize public power. Given the uncertain economic environment and the City's astounding deficit, now is not the time to give the supervisors a blank check—estimated at \$4 billion—to own power production. This measure is also estimated to cost each tax payer an extra \$400 per year.

Prop **L**

Ross Mirkarimi is against Proposition L.

Smoke Screen. The Board of Supervisors say they've already funded the Community Justice Center, but in fact they are doing everything they can to eliminate this critical program. These Centers have proven effective at making cities safer and citizens healthier. Let's stop playing politics and support this vital measure.

Prop **V**

Ross Mirkarimi is against Proposition V.

Political Ploy. The Board of Education want to terminate a program that is overwhelmingly supported by school administrators, parents, and students; a program that benefits minority groups, women, and openly LGBT students. Let's let the parents and students decide if they want JROTC in their schools.

San Francisco needs rational thinkers, not rigid ideologues.

we need a Democrat with Democratic values. We need:
