## SUE LEE for Supervisor

" Over four decades, Sue Lee has fought for her community while displaying all the values that make the Richmond District great: hard work, determination, creativity and common sense. As a young community organizer, Sue was one of the leaders who helped create the multi-cultural Richmond District Neighborhood Center – a Center that has served families in the Richmond for nearly 30 years. As a Planning Commissioner, her sound judgment and neighborhood perspective drew wide praise. As a Supervisor, Sue will work tirelessly for real solutions on behalf of women, families and all the residents of the Richmond District."

" We need strong women leaders in city government. Sue Lee will be a Supervisor who fights for the issues women care about – education for our children, health care for our families and a secure future for our seniors. That's why our leading women's organizations support Sue Lee for Supervisor. "
