## The Voice of Experience We Need At City Hall

Only one candidate can bring to the Board of Supervisors the experience with budgets and finance to protect City services during these difficult times.

Mike DeNunzio, the former CEO of Community Counseling, has spent a career guiding major funding for services to youth, seniors, the disadvantaged and poor. That's why two mayors and the Governor appointed him to City and State commissions.

- ★ MAYOR GAVIN NEWSOM: Council to End Chronic Homelessness
- ★ MAYOR WILLIE BROWN: Commission on Adult Services
- ★ GOV. ARNOLD SCHWARZENEGGER: California Commission on Aging

Join with neighborhood and community leaders, merchants and small business owners, renters and homeowners alike, to elect Mike DeNunzio our NEW VOICE AT CITY HALL.
