

PRIME LOCATION FINANCIAL DISTRICT OFFICE – AVAILABLE NOW

660 Market @ Montgomery/Kearny – top floor, outside patio, steps from BART/Muni, services included

Barbary Coast Consulting has a single, private office available for sublease. The office is located in a wing off of our top floor office. The wing has four offices, three of which are occupied by a technical writer, an education consultant, and the founder of Barbary Coast. The rest of our full-floor office is occupied by Barbary Coast Consulting. Here are some of the key features of your new space:

- The office is turnkey – Internet and phone service are included. Bring in your furniture and you are up and running!
- Some limited storage space is available nearby your private office.
- Two conference rooms are available for use by the entire office.
 - One is formal – including a large screen TV and a conference table.
 - The second is a more casual lounge with overstuffed leather chairs and a bar.
- We have a friendly office manager who will receive your guests, sort your mail, and answer your phone calls, within reason.
- You can bring in your own copy machine/printer, or share ours for your actual costs.
- We've got a stocked kitchen at your disposal.
- Our office features a wonderful outdoor patio where we grill, entertain guests, and socialize. You're welcome to it as well.

The space is yours for \$1,000/month if you sign a year-long lease, or \$1,200/month if you'd prefer a month-to-month agreement. For more information or take a walk through the office, please e-mail Jaime Rossi at rossi@barcoast.com.
