San Francisco Teachers Say Democrat  
**DAVID ONEK**  
is The Best Choice to Help Prevent Crime

**C**riminal Justice Attorney and former Police Commissioner, David Onek, has won the overwhelming support of San Francisco teachers and Board of Education Members because he has a detailed plan to protect all San Franciscans, starting with working to keep children in school and away from the criminal justice system.

Onek is endorsed by a coalition ranging from the Sierra Club and Assemblyman Tom Ammiano to Sheriff Michael Hennessey and the California Police Association because the facts are clear – **keeping kids out of trouble and in school costs much less and works much better than the failed system we have now.**

David Onek understands we need to balance a tough stance against anyone who would harm our families and endanger our communities with the proven programs that keep us safe – programs like job training, drug treatment and better schools.
