

VOTE TUESDAY NOVEMBER 8

LELAND YEE FOR MAYOR

A Proven Track Record for our Community

✓ Committed to Education

Leland Yee graduated from San Francisco public schools and so did all four of his children. In the Senate he supported the California Dream Act because all students deserve access to quality education.

✓ An Advocate for Immigrants

An immigrant himself, Leland fought for fair treatment of immigrant workers and supported the Real ID Act to provide driver's licenses for undocumented immigrants.

✓ Defending our Civil Rights

Leland has worked to ensure access to healthcare and other critical government services for non-English speakers. He also authored a bill that would protect language as a civil right.

✓ Experience We Can Count On

Leland is the most experienced candidate for Mayor. He has a 23-year record of getting things done for San Francisco on the School Board, Board of Supervisors and in the CA Assembly and Senate.

A Mayor Who Will Fight for our Families

✓ Expanding Healthcare

California Nurses say Leland is the best choice for Mayor because he has fought for affordable health insurance and will expand the Healthy SF program.

✓ Improving our Economy with Good-Paying Jobs

Leland will cut the red tape needed to start a small business and help small businesses get the resources they need to hire more workers and thrive.

✓ Putting Kids First

Leland has worked to protect our children from sexual abuse and exploitation. As Mayor, he will focus on providing quality neighborhood schools, good-paying jobs, after-school programs, and ensure every child has affordable healthcare.

✓ Protecting Public Health

The Sierra Club has named Yee their first choice for Mayor because he is committed to keeping our community clean and safe. He voted to keep pesticides away from schools and make polluters pay for damaging our neighborhoods.
