*“Leland Yee has the experience, leadership
and the plan to create jobs.”*

—Eileen Prendiville, San Francisco Labor Council Executive Board, California Nurses Association

The men and women who represent working families in San Francisco know who's on their side. That's why they support Leland Yee and his 37-point plan to create jobs, protect working families and get our economy back on track.

- ✓ Establish a municipal bank to spark local jobs investment
- ✓ Create clean energy jobs through CleanPowerSF
- ✓ Encourage small business growth with Mayoral caseworkers for every commercial district
- ✓ Expedite public works projects that put people to work right away
- ✓ Ensure public contracts support local and disadvantaged businesses
