The LGBT community, Sheriff Mike Hennessey, and civil rights leaders are united in our support of Ross Mirkarimi for Sheriff—the best choice for criminal justice reform

TRANSGENDER ACCESS

Ross secured funding to save Martin-Lyon and the Women's Community Clinic. As Sheriff, he will challenge state guidelines to allow the hiring of transgender employees.

COMMUNITY POLICE

A Police Academy graduate who served 9 years as a D.A. Investigator, Ross passed a landmark community policing law that requires more SFPD foot patrols on the street.

INDEPENDENT REFORM

Ross is independent of the "old boys network." He led citywide police reforms providing greater accountability and transparency on the Police Commission.

RE-ENTRY COUNCIL

Ross is leading efforts to rehabilitate ex-prisoners into the mainstream and get San Francisco ready for state prisoner realignment.
